

A Father's Love

©2000 Polished Arrow Publishing Brenda Geneau

As we journey through life
There are people we meet
Some by chance
Some are sent to redeem
There's a God up above
Who showed me His love
When He sent you to rescue me

With your gentle spirit
And your loving smile
You have a way
To heal my cry
You're encouraging words
Have built me up
And set me free to fly

Chorus

And the gems you've instilled in my heart
Will never be forgot
You're the greatest example
Of a father's love

You taught me to walk
With integrity
And that living by faith
Can set me free
No matter the cost
You've always share
Your time with those in need
