

His Power We Receive

©2000 Polished Arrow Publishing Brenda Geneau

There's a Name above all names
There's a Name who knows our pain
There's a Name who can heal us
That Name is Jesus

There's a Name that we can call
Every time we take a fall
He is there to pick us up
That Name is Jesus

And when we call upon His name
Demons must flee
We can heal the broken hearted
And set the captives free
When we call upon His Name
His Power we receive

In this Name the blind shall see
In this Name the dumb will speak
In this Name our Father will hear us
That Name is Jesus.....Your Power we Receive
