

I will live for You

©2006 Brenda Geneau Polished Arrow Publishing

Take my hand Lord draw me closer
To Your throne of grace
Lord I bow down and surrender
And with all my heart I seek Your face

Take my heart now purify it
Burn the dross away
Come and cleanse me come forgive me
Show me your ways....yeah!

Chorus

I will live for You Lord
I will love Your ways
I will lift my voice Lord
And forever I will sing Your praise

Precious Jesus my Redeemer
You are my King
All my hopes and my desires
As a sacrifice I bring to you

All my worries all my fears I
Lay them at Your feet
I will rise up like the eagle
