

If I'd be Lifted Up

Traditional

Down in the valley, bowed on my knees
I asked my Jesus, hear me please
He promised that He'd take care of me
If I would lift Him up

Chorus

He said if I'd be lifted up
He said if I'd be lifted up
I'll be your father; I'll be your mother,
I'll be your sister and your brother
He said if I'd be lifted up
I'll bring joy, joy, joy, to your soul

When I am lonely, when I am sad,
My Jesus comes and makes me glad
He is the dearest friend I have had
I want to lift Him up

Chorus
