

Lord Change Me

©2000 Polished Arrow Publishing Brenda Geneau

Lord, take my heart and make it pure
Take my mind and make it Yours
Lord, change me!

Lord, take my heart and make it pure
Take my thoughts and make them Yours
Lord, change me!

So come Holy Spirit and fill this temple
As I rest here in Your love
Yes come Holy Spirit
And anoint me with Your oil
With Your healing power make me whole

Lord, take my eyes and make them see
Take my soul and set me free
Lord, change me!

Lord, take my lips and make them speak
The secret words You gave to me
Lord, change me!

So come Holy Spirit and fill this temple
As I rest here in Your love
Yes come Holy Spirit
And anoint me with Your oil
With Your healing power make me whole
