

Sacrifice of Praise

©2000 Polished Arrow Publishing Brenda Geneau

On my knees before You
On my knees before You
You alone are worthy, worthy to be praised

You are my Redeemer
You are my Redeemer
You alone are worthy, worthy to be praised

I will offer You
A sacrifice, sacrifice of praise
I will offer You my life
As a sacrifice of praise

On my knees before You
On my knees before You
You alone are worthy, worthy to be praised

You are my Provider
You are my Provider
You alone are worthy, worthy to be praised

I will offer you a sacrifice, sacrifice of praise
I will offer you my song as a sacrifice of praise
I will offer you a sacrifice, sacrifice of praise
I will offer you my life as a sacrifice of praise.
