What a delight it is
To sing praises to His name
What a delight it is give glory to the King
What a delight to be standing in His presence
Honor Him with songs of praise

What a delight it is
To sing praises to His name
What a delight it is give glory to the King
What a delight to be standing in His presence
Honor Him with songs of praise

He is mighty
He is worthy
Of our worship and our songs of praise
He is mighty
He is worthy
Of our worship and our songs of praise
